## **Is this an open or closed course?**

The course will be closed to traffic—please follow the directions of our volunteers, staff, and course signage on race day.

## **What is the weather policy?**

Races are held, rain or shine, unless we determine that conditions are too dangerous. This will be based on a prudent decision made on race weekend or race day by race officials and local law enforcement officials. If the race is cancelled due to inclement weather, there will be neither refunds nor transfers. This position is consistent with USA Track & Field recommendations and with the protocol of sharing the risks associated with the sport of running. In the event of inclement weather or unforeseen circumstances, Capstone Event Group reserves the right to alter, cancel or eliminate any/all portions of the race.

If there is inclement weather during the race, it is your responsibility as a race participant to follow instruction from race officials and law enforcement in regards to inclement weather. If you disregard instructions from race officials and/or law enforcement, you are doing so at your own risk.

## **What is the time limit?**

The time limit for the 5k is 1 hour 45 minutes. The time limit for the half is 3 hours and 15 minutes. The course for the 5k & half will close at 11:30 AM. The cutoff time is determined by our event permit, which permits us to use the roads, police support and other city resources for a specified period of time. After the permitted period ends, roads will reopen and we will no longer be able to provide participants with critical course support, including road closures, police and medical coverage, hydrations stations and course markings.

When the course closes at the cutoff time, any remaining participants must move off of the roads and onto a sidewalk. Anyone who decides to utilize the course route before or after the permitted time will not be considered an active participant and must follow pedestrian laws. Participants who do not meet the cutoff time will not receive an official time.

Every runner crosses the finish line in style! All participants will take home a finisher medal and a commemorative race shirt.

Inspired by Durham's most beloved landmarks—the Lucky Strike Tower, DPAC, Durham Bulls, and Duke Chapel—this year's race shirt is a true tribute to the Bull City.

Your finisher medal reflects that same Durham pride, a lasting reminder of your remarkable accomplishment.

Don't forget to grab your swag before you go! All race goodies must be picked up on-site and will not be mailed afterward.
